## DETAILED ACTION

### Examiner's Statement of Reasons for Allowance

1. Claims 1-500 are allowed.
2. The following is an examiner's statement of reasons for allowance:

With respect to claims, the prior art of record, taken alone or in combination, fails to teach or reasonably suggests a method of making a semiconductor chip assembly, comprising providing a semiconductor chip, a conductive trace and a substrate, wherein the chip includes first and second opposing major surfaces and a conductive pad, the pad extends to the first surface of the chip, the substrate includes first and second opposing major surfaces, a conductive terminal and a dielectric base, the conductive terminal extends through the dielectric base to the first and second surfaces of the substrate, a cavity extends from the first surface of the substrate into the substrate, the first surfaces of the chip and the substrate face in a first direction, the second surfaces of the chip and the substrate face in a second direction, and the chip extends into the cavity; and electrically connecting the conductive terminal to the pad using the conductive trace.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submission should be clearly labeled "Comments on Statement of Reasons for Allowance".
